AN ORDINANCE OF THE COMMON COUNCIL OF THE CITY OF MADISON, INDIANA, AUTHORIZING THE ISSUANCE OF ECONOMIC DEVELOPMENT LOCAL INCOME TAX REVENUE BONDS, SERIES 2023 TO PROVIDE FUNDS FOR A PORTION OF THE COSTS OF THE ACQUISITION, CONSTRUCTION AND INSTALLATION OF CERTAIN IMPROVEMENTS TO CRYSTAL POOL AND ADDRESSING OTHER MATTERS CONNECTED THEREWITH

WHEREAS, the City of Madison, Indiana (the “City”), is a governmental unit and political subdivision of the State of Indiana; and

WHEREAS, the Jefferson County, Indiana (the “County”) County Council has previously imposed an economic development income tax pursuant to IC 6-3.5-7 (now repealed) on the adjusted gross income of County taxpayers, which law has been recodified at IC 6-3.6 (the “LIT Act”) for the purpose of consolidating all local income taxes into a single article, and which economic development income tax has been reclassified as the economic development project component of additional revenue derived from the expenditure rate under IC 6-3.6 (referred to herein as the “Economic Development LIT”); and

WHEREAS, the Common Council of the City (the “Common Council”) has determined that it would be of public utility and benefit and in the best interests of the City and its citizens to finance a portion of the costs of acquiring, constructing and equipping Crystal Pool (the “Project”), and costs of the issuance of bonds therefor; and

WHEREAS, the Common Council deems it advisable to issue, pursuant to the LIT Act, IC 36-4-6-19, and other applicable provisions of the Indiana Code, bonds payable from Economic Development LIT Revenues for the purposes of providing funds for (i) the payment or reimbursement of a portion of the costs of the Project, including preliminary and incidental expenses incurred in connection therewith; (iii) the payment of accrued interest on such bonds, if any; (iv) the funding of a reasonably required debt service reserve to secure the payment of such bonds, if necessary; and (v) and the payment of costs of issuance of such bonds and any other fees and charges associated with the issuance of such bonds, including the payment of any fees and charges associated with obtaining credit enhancement for such bonds; and

WHEREAS, IC 6-3.6-9, as amended, provides that revenue derived from the imposition of the Economic Development LIT shall be distributed to the County monthly on the first day of each month and that, upon receipt, the County shall distribute to the City its share of each such monthly distribution pursuant to IC 6-3.6-9 (the City’s share of each such monthly distribution, a “Monthly Distribution”); and

WHEREAS, pursuant to the Act (as hereinafter defined), the City is authorized to pledge the City’s Monthly Distributions (the “Economic Development LIT Revenues”) to pay bonds, leases and other obligations; and

WHEREAS, the City has no prior pledges of Economic Development LIT Revenues to bond, lease or other indebtedness obligations; and

WHEREAS, the original principal amount of the 2023 Bonds (as hereinafter defined), together with the outstanding principal amount of previously issued bonds which constitute a debt of the City, is no more than two percent (2%) of one-third (1/3) of the total net assessed valuation of the City; and

WHEREAS, the Common Council desires to establish its intent, pursuant to Treasury Regulation 1.150-2 and IC 5-1-14-6(c), that all or a portion of the costs of the Project are to be reimbursed from the proceeds of the Bonds; and

WHEREAS, the Common Council now finds that all conditions precedent to the adoption of an ordinance authorizing the issuance of the 2023 Bonds have been complied with in accordance with the provisions of the LIT Act and IC 36-4-6-19, and other applicable provisions of the Indiana Code (collectively, the “Act”); and

WHEREAS, the Common Council consequently seeks to authorize the issuance of the 2023 Bonds pursuant to the Act and the sale of such 2023 Bonds pursuant to the provisions of the Act;

NOW THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF MADISON, INDIANA, AS FOLLOWS:

Section 1. Issuance of 2023 Bonds. Pursuant to Indiana Code 5-1-14-4, the City irrevocably pledges the Economic Development LIT Revenues to the payment of the 2023 Bonds and any obligations ranking on a parity therewith. The Economic Development LIT Revenues are immediately subject to the lien of this pledge upon the issuance of the 2023 Bonds without any further act.

The 2023 Bonds shall be numbered consecutively from R-1 upward, issued in denominations of Five Thousand Dollars (\$5,000) or any integral multiple thereof, or shall be issued in denominations of One Hundred Thousand Dollars (\$100,000) and integral multiples of One Thousand Dollars (\$1,000) above such amount, and dated as of the date of issuance or the first day of the month in which they are sold, as such terms are determined on the date of issuance of the 2023 Bonds by the Mayor of the City (the “Mayor”) and the Clerk-Treasurer of the City (the “Clerk-Treasurer”) as evidenced by their execution of the 2023 Bonds. The 2023 Bonds shall bear interest at a rate or rates not exceeding seven percent (7.00%) per annum (the exact rate or rates to be determined as negotiated with the purchaser of the 2023 Bonds), calculated on the basis of a 360-day year comprised of twelve thirty-day months. Interest shall be payable semiannually on February 1 and August 1 in each year, beginning on such February 1 or August 1, as determined on the date of issuance of the 2023 Bonds by the Mayor and the Clerk-Treasurer as evidenced by their execution of the 2023 Bonds. The 2023 Bonds shall be sold at a price of not less than 99.0% of the par value thereof (the “Sale Price”). Principal on the

All or a portion of the 2023 Bonds may be issued as one or more term bonds. Such term bonds shall have a stated maturity or maturities of February 1 or August 1, in the years as determined on the date of issuance of the 2023 Bonds, but in no event later than the last semiannual maturity date of the 2023 Bonds as determined in the above paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on principal payment dates which are hereinafter determined in accordance with the above paragraph.

Section 2. Registrar and Paying Agent. The Clerk-Treasurer is hereby authorized to contract with a qualified financial institution to serve as Registrar and Paying Agent for the 2023 Bonds (the "Registrar" or "Paying Agent"). The Registrar is hereby charged with the responsibility of authenticating the 2023 Bonds. The Clerk-Treasurer is hereby authorized to enter into such agreements or understandings with such institution as will enable the institution to perform the services required of a Registrar and Paying Agent. The Clerk-Treasurer is further authorized to pay such fees as the institution may charge for the services it provides as Registrar and Paying Agent, and such fees may be paid from the Sinking Fund established to pay the principal of and interest on the 2023 Bonds as fiscal agency charges.

The principal of the 2023 Bonds shall be payable at the principal office of the Paying Agent. All payments of interest on the 2023 Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered owners thereof as the names appear as of the fifteenth day of the month preceding the interest payment date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner. All payments on the 2023 Bonds shall be made in any coin or currency of the United States of America which, on the date of such payment, shall be legal tender for the payment of public and private debts.

If the 2023 Bonds are registered in the name of a registered owner in whose name is held \$1,000,000 or more of principal amount of the 2023 Bonds, by providing written instructions to the Registrar before the fifteenth day of the month preceding the month in which such interest is payable, the principal of and interest thereon may be paid by wire transfer to such financial institution as designated by such registered owner, or as otherwise agreed, on the due date of such payment or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date.

Each 2023 Bond shall be transferable or exchangeable only upon the books of the City kept for that purpose at the principal corporate trust office of the Registrar by the registered owner in person, or by its attorney duly authorized in writing, upon surrender of such 2023 Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly

executed by the registered owner, or its attorney duly authorized in writing, and thereupon a new fully registered 2023 Bond or Bonds in an authorized aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the City except for any tax or governmental charge required to be paid with respect to the transfer or exchange, which taxes or governmental charges are payable by the person requesting such transfer or exchange. The City, the Registrar and the Paying Agent for the 2023 Bonds may treat and consider the person in whose name such 2023 Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon. The Registrar shall not be obligated to make any transfer or exchange of any 2023 Bond called for redemption within forty-five (45) days of the redemption date.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent upon giving 30 days' notice in writing to the City and by first class mail to each registered owner of the 2023 Bonds then outstanding, and such resignation will take effect at the end of such 30 day period or upon the earlier appointment of a successor registrar and paying agent by the City. Any such notice to the City may be served personally or sent by registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the City, in which event the City may appoint a successor registrar and paying agent. The City shall notify each registered owner of the 2023 Bonds then outstanding by first class mail of the removal of the Registrar and Paying Agent. Notices to the registered owners of the 2023 Bonds shall be deemed to be given when mailed by first class mail to the addresses of such registered owners as they appear on the registration books kept by the Registrar.

Upon the appointment of any successor registrar and paying agent by the City, the Clerk-Treasurer is authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the 2023 Bonds. The Clerk-Treasurer is further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent, and such fees may be paid from the Sinking Fund established to pay the principal of and interest on the 2023 Bonds as fiscal agency charges. Any predecessor registrar and paying agent shall deliver all of the 2023 Bonds and any cash or investments in its possession with respect thereto, together with the registration books, to the successor registrar and paying agent.

Interest on the 2023 Bonds shall be payable from the interest payment date to which interest has been paid next preceding the authentication date of the 2023 Bonds unless the 2023 Bonds are authenticated after the fifteenth day of the month of preceding an interest payment date and on or before such interest payment date, in which case they shall bear interest from such interest payment date, or unless the 2023 Bonds are authenticated on or before the fifteenth day of the month preceding the first interest payment date, in which case they shall bear interest from the original date, until the principal shall be fully paid.

Section 3. Redemption of 2023 Bonds. The 2023 Bonds may be made redeemable at the option of the City on thirty (30) days' notice, in whole or in part, in any order of maturities selected by the City and by lot within a maturity, on dates and with premiums, if any, and other

terms as determined by the Mayor with the advice of the City's municipal advisor, as evidenced by delivery of the form of 2023 Bonds to the Registrar for authentication. Each Five Thousand Dollars (\$5,000) principal amount shall be considered a separate bond for purposes of optional redemption.

Notice of such redemption shall be given not more than sixty (60) and not less than thirty (30) days prior to the date fixed for redemption by mail unless the notice is waived by the registered owner of a 2023 Bond. Such notice shall be mailed to the address of the registered owners of the 2023 Bonds to be redeemed as shown on the registration records of the City. The notice shall specify the date and place of redemption and sufficient identification of the 2023 Bonds called for redemption. The failure to give such notice by mailing or a defect in the notice or the mailing as to any 2023 Bond shall not affect the validity of any proceedings for redemption as to any other 2023 Bonds for which notice is adequately given. The place of redemption shall be determined by the City. Interest on the 2023 Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the principal office of the Paying Agent to pay the redemption price on the date so named. Coincidentally with the payment of the redemption price, the 2023 Bonds so called for redemption shall be surrendered for cancellation.

Section 4. Execution and Negotiability. Each of the 2023 Bonds shall be executed in the name of the City by the manual or facsimile signature of the Mayor, and attested by the manual or facsimile signature of the Clerk-Treasurer, and the seal of the City shall be affixed, imprinted or impressed to or on each of the 2023 Bonds, by facsimile or any other means. In case any officer whose signature or facsimile signature appears on the 2023 Bonds shall cease to be such officer before the delivery of the 2023 Bonds, the signature of such officer shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

The 2023 Bonds shall have all of the qualities and incidents of negotiable instruments under the laws of the State of Indiana, subject to the provisions for registration herein.

The 2023 Bonds shall also be authenticated by the manual signature of the Registrar, and no 2023 Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed.

The 2023 Bonds may, in compliance with all applicable laws, be issued and held in book-entry form on the books of the central depository system, The Depository Trust Company, its successors, or any successor central depository system appointed by the City from time to time (the "Clearing Agency"). The City and Registrar may, in connection herewith, do or perform or cause to be done or performed any acts or things not adverse to the rights of the holders of the 2023 Bonds, as are necessary or appropriate to accomplish or recognize such book-entry form 2023 Bonds.

During any time that the 2023 Bonds are held in book-entry form on the books of a Clearing Agency, (1) any such 2023 Bond may be registered upon the books kept by the Registrar in the name of such Clearing Agency, or any nominee thereof, including CEDE & Co., as nominee of The Depository Trust Company; (2) the Clearing Agency in whose name such

2023 Bond is so registered shall be, and the City and the Registrar and Paying Agent may deem and treat such Clearing Agency as, the absolute owner and holder of such 2023 Bond for all purposes of this Ordinance, including, without limitation, the receiving of payment of the principal of, premium, if any, and interest on such 2023 Bond, the receiving of notice and giving of consent; (3) neither the City nor the Registrar or Paying Agent shall have any responsibility or obligation hereunder to any direct or indirect participant, within the meaning of Section 17A of the Securities Exchange Act of 1934, as amended, of such Clearing Agency, or any person on behalf of which, or otherwise in respect of which, any such participant holds any interest in any 2023 Bond, including, without limitation, any responsibility or obligation hereunder to maintain accurate records of any interest in any 2023 Bond or any responsibility or obligation hereunder with respect to the receiving of payment of principal, premium, if any, or interest on any 2023 Bonds, the receiving of notice or the giving of consent; and (4) the Clearing Agency is not required to present any 2023 Bond called for partial redemption prior to receiving payment so long as the Registrar and Paying Agent and the Clearing Agency have agreed to the method for noting such partial redemption.

If either (i) the City receives notice from the Clearing Agency which is currently the registered owner of the 2023 Bonds to the effect that such Clearing Agency is unable or unwilling to discharge its responsibility as a Clearing Agency for the 2023 Bonds or (ii) the City elects to discontinue its use of such Clearing Agency as a Clearing Agency for the 2023 Bonds, then the City and Registrar and Paying Agent each shall do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the 2023 Bonds, as are necessary or appropriate to discontinue use of such Clearing Agency as a Clearing Agency for the 2023 Bonds and to transfer the ownership of each of the 2023 Bonds to such person or persons, including any other Clearing Agency, as the holder of the 2023 Bonds may direct in accordance with this Ordinance. Any expenses of such discontinuance and transfer, including expenses of printing new certificates to evidence the 2023 Bonds, shall be paid by the City.

During any time that the 2023 Bonds are held in book-entry form on the books of a Clearing Agency, the Registrar shall be entitled to request and rely upon a certificate or other written representation from the Clearing Agency or any participant or indirect participant with respect to the identity of any beneficial owners of the 2023 Bonds as of a record date selected by the Registrar. For purposes of determining whether the consent, advice, direction or demand of a registered owner of the 2023 Bond has been obtained, the Registrar shall be entitled to treat the beneficial owners of the 2023 Bonds as the bondholders, and any consent, request, direction, approval, objection or other instrument of such beneficial owner may be obtained in the fashion described in this Ordinance.

During any time that the 2023 Bonds are held in book-entry form on the books of a Clearing Agency, the Mayor, the Clerk-Treasurer and/or the Registrar are authorized to enter into a Letter of Representations agreement with the Clearing Agency, and the provisions of any such Letter of Representations or any successor agreement shall control on the matters set forth herein. The Registrar, by accepting the duties of Registrar under this resolution, agrees that it will (i) undertake the duties of agent set forth therein and that those duties to be undertaken by either the agent or the issuer shall be the responsibility of the Registrar, and (ii) comply with all requirements of the Clearing Agency, including without limitation same day funds settlement payment procedures. Further, so long as the 2023 Bonds remain and are held in book-entry

form, the provisions of Section 5 of this Ordinance shall control over conflicting provisions in any other section of this Ordinance.

(a) Any accrued interest on the 2023 Bonds, if any, shall be deposited into the Principal and Interest Account (as hereinafter defined);

(b) If a debt reserve fund is deemed necessary in order to sell the 2023 Bonds, an amount equal to all or a portion of the Debt Service Reserve Requirement shall be deposited into the Reserve Account (as hereinafter defined);

(c) An amount equal to the remaining net proceeds received from the sale of the 2023 Bonds shall be deposited into the Project Fund (as hereinafter defined) for the purpose of paying the costs of issuance of the 2023 Bonds and other fees and charges associated with the issuance of the 2023 Bonds, including any fees and charges associated with obtaining credit enhancement for the 2023 Bonds, and paying the expenses incurred in connection with the Project, together with any expenses incidental thereto.

All funds deposited to the credit of the Sinking Fund or the Project Fund shall be deposited, held, secured, invested and expended in accordance with the laws of the State of Indiana relating to the depositing, holding, securing, investing and expending of public funds, including, particularly, applicable provisions of Indiana Code 5-13. Any interest or income derived from any such investments shall become a part of the moneys in the fund or account so invested. Pursuant to the Act, the owners of the 2023 Bonds shall be entitled to a lien on the proceeds of the 2023 Bonds until such proceeds are applied as required by this Ordinance and by Indiana law.

Section 8. Project Fund. A special fund, designated as the “2023 Project Fund” (the “Project Fund”), is hereby created. All amounts in the Project Fund shall be expended only for the purpose of paying the costs of issuance of the 2023 Bonds and any other fees and charges associated with the issuance of the 2023 Bonds, including any fees and charges associated with obtaining credit enhancement for the 2023 Bonds, and for the purpose of paying (or reimbursing the City for the prior payment of) expenses incurred in connection with all or a portion of the Project. Any balance remaining unexpended in the Project Fund after payment of all such costs, fees and charges shall be transferred into the Sinking Fund and shall be used solely for the purposes of such fund or as otherwise permitted by Indiana Code 5-1-13.

Section 9. Sinking Fund. The Economic Development LIT Revenues received by the City shall be used and applied by the City only as provided in this Ordinance. All such revenues shall be segregated and kept in special accounts separate and apart from all other funds of the

City and shall be used and applied as set forth in this Ordinance. There is hereby created and established a fund known as the “City of Madison Economic Development Local Income Tax Revenue Bond Sinking Fund” (the “Sinking Fund”) which shall consist of a Principal and Interest Account and if determined to be necessary a Debt Service Reserve Account.

(a) Principal and Interest Account. On the fourteenth day of each calendar month, there shall be deposited in the Principal and Interest Account an amount of Economic Development LIT Revenues equal to the sum of at least one-sixth (1/6) of the principal of and interest on the 2023 Bonds and the amounts due on the Parity Obligations (as hereinafter defined) therewith due on the following February 1 or August 1, until the amount so credited shall equal the principal of and interest on the 2023 Bonds, and the amounts due on the Parity Obligations payable during the next succeeding six (6) months. No such deposit need be made into the Principal and Interest Account if the amount contained therein is sufficient to pay such amounts. The City may determine to deposit into the Principal and Interest Account other revenues available to the City; however, such revenues are not and shall not be pledged for such purpose until so deposited. All money in the Principal and Interest Account shall be used and withdrawn solely for the purpose of paying the principal of and interest on the 2023 Bonds and amounts due on any Parity Obligations, including accrued interest on any such obligations purchased or redeemed prior to maturity.

(b) Debt Service Reserve Account. At the time of the sale of the 2023 Bonds, the Mayor and/or the Clerk-Treasurer, with the advice of the City’s municipal advisor, may determine to establish a reserve account for the 2023 Bonds (the “Reserve Account”), which shall be funded in an amount determined by the municipal advisor to be required to adequately secure the 2023 Bonds (the “Debt Service Reserve Requirement”). If at any time the Reserve Account contains an amount less than the Debt Service Reserve Requirement, then after making the required deposits to the Principal and Interest Account under subsection (a), Economic Development LIT Revenues shall next be used to restore the deficiency in the Reserve Account. All money in the Reserve Account shall be used and withdrawn by the City solely for the purpose of making deposits into the Principal and Interest Account, in the event of any deficiency at any time in such account, or for the purpose of paying the interest on or principal of or redemption premiums, if any, on the 2023 Bonds and any amounts due on Parity Obligations which are secured by the Reserve Account in the event that no other money is lawfully available therefor. Any amount in the Reserve Account in excess of the Debt Service Reserve Requirement shall be withdrawn from the Reserve Account and deposited into the Sinking Fund. Money in the Reserve Account shall also be available to make the final payments of interest and principal on the 2023 Bonds or final amounts due on any Parity Obligations secured by the Reserve Account.

The City may at any time and from time to time fund all or any part of the Reserve Account by depositing into the Reserve Account one or more Reserve Account Credit Instruments. Each Reserve Account Credit Instrument shall be issued by either (i) an insurance company whose long term debt obligations are rated at the time of the deposit of the Reserve Account Credit Instrument in one of the highest two Rating Categories by Standard & Poor’s Ratings Services or Moody’s Investors Service, or (ii) a bank or trust company which has an outstanding, unsecured, uninsured and unguaranteed debt issue rated at the time of the deposit of the Reserve Account Credit Instrument in one of the two highest Rating Categories by Standard

& Poor's Ratings Services or Moody's Investors Service. As long as any Reserve Account Credit Instrument is in full force and effect, any valuation of the Reserve Account shall treat the maximum amount available under such Reserve Account Credit Instrument as its value.

(c) Excess Fund. There is hereby created and established a fund known as the "City of Madison 2023 Economic Development Local Income Tax Revenue Excess Fund" (the "Excess Fund"). The Economic Development LIT Revenues remaining after making the required deposits to the Sinking Fund and the accounts thereof as described above shall be deemed excess funds and shall be deposited into the Excess Fund for appropriation and use as permitted by law. In the event of any deficiency at any time in either account of the Sinking Fund, funds may be withdrawn from the Excess Fund and deposited into the accounts of the Sinking Fund in the amount of such deficiency.

Section 10. Investment of Funds. All money available hereunder for the payment of debt service on the 2023 Bonds and amounts due on any Parity Obligations shall be held in trust for the benefit of the holders of the bonds and shall be applied, used and withdrawn in accordance with this Ordinance. The proceeds of the funds and accounts described below shall be deposited with a legally qualified depository or depositories for funds of the City as now provided by law and shall be segregated and kept separate and apart from all other funds of the City and may be invested in accordance with applicable provisions of Indiana law.

Section 11. Defeasance of the 2023 Bonds. If, when the 2023 Bonds or a portion thereof shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the 2023 Bonds or a portion thereof for redemption shall have been given, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the 2023 Bonds or a portion thereof then outstanding shall be paid; or (i) sufficient moneys, (ii) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, the principal of and the interest on which when due will provide sufficient moneys for such purpose, or (iii) time certificates of deposit of a bank or banks fully secured as to both principal and interest by obligations of the kind described in (ii) above, the principal and interest on which when due will provide sufficient moneys for such purpose; shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the 2023 Bonds or any designated portion thereof issued hereunder shall no longer be deemed outstanding or entitled to the pledge of the Pledged LIT Revenues.

Section 12. Additional Bond Provisions. The City reserves the right to authorize and issue bonds or incur additional lease or other obligations entitled to the pledge of Economic Development LIT Revenues on a parity with the 2023 Bonds and in accordance with the requirements set forth below ("Parity Obligations"). The authorization and issuance of Parity Obligations shall be subject to the following conditions precedent:

(a) Any such Parity Obligations shall not cause the City to exceed its debt limitation under Article 13, Section 1, of the Indiana Constitution or any statutory debt limitation as of the date of issuance.

(b) All payments due under the 2023 Bonds and any outstanding Parity Obligations payable from Economic Development LIT Revenues shall be current to date in accordance with the terms thereof, with no payment in arrears.

(c) All required deposits into the Sinking Fund shall have been made in accordance with the provisions of this Ordinance.

(d) The City shall have received a certificate prepared by an independent, qualified accountant or municipal advisor certifying the amount of Economic Development LIT Revenues to be received in each succeeding year shall be at least equal to one hundred twenty-five percent (125%) (or such higher percentage as is determined by certification of the Mayor at the time of the sale of the 2023 Bonds upon advice of the City's municipal advisor) of the debt service or lease rental requirements with respect to then outstanding 2023 Bonds and other Parity Obligations and the additional Parity Obligations proposed to be issued for each respective year during the term of the 2023 Bonds, any outstanding Parity Obligations, and the proposed Parity Obligations. For purposes of this subsection, the records of the City shall be analyzed and all showings prepared by a certified public accountant or independent municipal advisor employed by the City for that purpose.

(e) Payments of any Parity Obligations payable from the Economic Development LIT Revenues shall be payable semiannually on February 1 and August 1.

The terms and conditions of any Parity Obligations shall be set forth in the ordinance or resolution authorizing such Parity Obligation.

The City may issue obligations payable from Economic Development LIT Revenues on a junior basis to the 2023 Bonds, and any Parity Obligations. Any such junior obligations shall be payable semiannually on February 1 and August 1.

Section 13. Tax Covenants. In order to preserve the exclusion of interest on the 2023 Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the 2023 Bonds, the City represents, covenants and agrees that:

(a) The City will not take any action or fail to take any action with respect to the 2023 Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the 2023 Bonds pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder as applicable to the 2023 Bonds, including, without limitation, the taking of such action as is necessary to rebate or cause to be rebated arbitrage profits on 2023 Bond proceeds or other monies treated as 2023 Bond proceeds to the federal government as provided in Section 148 of the Code, and will set aside such monies, which may be paid from investment income on funds and accounts notwithstanding anything else to the contrary herein, in trust for such purposes.

(b) The City will file an information report on Form 8038-G with the Internal Revenue Service as required by Section 149 of the Code.

(c) The City will not make any investment or do any other act or thing during the period that any 2023 Bond is outstanding hereunder which would cause any 2023 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the regulations thereunder as applicable to the 2023 Bonds.

Notwithstanding any other provisions of this Ordinance, the foregoing covenants and authorizations (the “Tax Sections”) which are designed to preserve the exclusion of interest on the 2023 Bonds from gross income under federal income tax law (the “Tax Exemption”) need not be complied with if the City receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 14. Execution of Documents. The Mayor and the Clerk-Treasurer may also take such other actions or deliver such other certificates as are necessary or desirable in connection with the issuance of the 2023 Bonds as they deem necessary or desirable in connection therewith.

Section 15. Severability. If any section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

Section 16. Other Action. The appropriate officers are hereby authorized to take all actions to obtain a rating, bond insurance or any other form of credit enhancement for the 2023 Bonds if economically feasible and desirable and with the favorable recommendation of the municipal advisor to the City. In addition, the appropriate officers of the City are hereby authorized and directed to take any other action deemed necessary or advisable in order to effectuate the issuance of the 2023 Bonds or any other purposes of this Ordinance.

Section 17. Amendments with Consent of Bondholders. Subject to the terms and provisions contained in this section and not otherwise, the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the 2023 Bonds issued pursuant to this Ordinance and then outstanding shall have the right from time to time, to consent to and approve the adoption by the Common Council of the City of such ordinance or ordinances supplemental hereto or amendatory hereof, as shall be deemed necessary or desirable by the City for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this Ordinance, or in any supplemental ordinance; provided, however, that nothing herein contained shall permit or be construed as permitting:

(a) An extension of the maturity of the principal of or interest on any 2023 Bond issued pursuant to this Ordinance; or

(b) A reduction in the principal amount of any 2023 Bond or the redemption premium or the rate of interest thereon; or

(c) The creation of a lien upon or a pledge of the Pledged LIT Revenues ranking prior to the pledge thereof created by this Ordinance; or

(d) A preference or priority of any 2023 Bond or Bonds issued pursuant to this Ordinance over any other 2023 Bond or Bonds issued pursuant to the provisions of this Ordinance; or

(e) A reduction in the aggregate principal amount of the 2023 Bonds required for consent to such supplemental ordinance.

If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the 2023 Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the Clerk-Treasurer of the City, no owner of any 2023 Bond issued pursuant to this Ordinance shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Common Council of the City from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this Ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Ordinance of the City and all owners of 2023 Bonds then outstanding, shall thereafter be determined, exercised and enforced in accordance with this Ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this Ordinance, the rights and obligations of the City and of the owners of the 2023 Bonds authorized by this Ordinance, and the terms and provisions of the 2023 Bonds and this Ordinance, or any supplemental or amendatory ordinance, may be modified or altered in any respect with the consent of the City and the consent of the owners of all the 2023 Bonds then outstanding.

Section 18. Amendment of Ordinance without Consent of Bondholders. The Common Council may, from time to time, and without the consent of bondholders, adopt ordinances supplemental hereto (which supplemental ordinances shall thereafter form a part hereof) for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Ordinance or in any supplemental ordinance;

(b) To grant to or confer upon the owners of the 2023 Bonds any additional benefits, rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the owners of the 2023 Bonds, or to make any change which, in the judgment of the Common Council, is not to the prejudice of the owners of the 2023 Bonds;

(c) To modify, amend or supplement this Ordinance to permit the qualification of the 2023 Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America or to obtain or maintain bond insurance with respect to payments of principal of and interest on the 2023 Bonds;

(d) To provide for the current or advance refunding of the 2023 Bonds;

(e) To procure a rating on the 2023 Bonds from a nationally recognized securities rating agency designated in such supplemental resolution, if such supplemental resolution will not adversely affect the owners of the 2023 Bonds; or

(f) Any other purpose which in the judgment of the Common Council does not adversely impact the interests of the owners of the 2023 Bonds.

Section 19. Bond Anticipation Notes. This Ordinance shall constitute full authority for the issuance of bond anticipation notes (“BANs”) in anticipation of the issuance of the 2023 Bonds, if the Mayor shall determine that such issuance is necessary or appropriate. Such BANs shall have such terms as the Mayor shall determine prior to the sale thereof; provided, that the term of the BANs shall in no event exceed five (5) years; the interest rate on the BANs shall not exceed seven percent (7.0%) per annum; and the maximum principal amount of the BANs shall not exceed Two Million Dollars (\$2,000,000).

Section 20. Conflicting Ordinances. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 21. Non-Business Days. If the date of making any payment or the last date for performance of any act or the exercising of any right, as provided in the ordinance, shall be a legal holiday or a day on which banking instructions in the City or the jurisdiction in which the Registrar or Paying Agent is located are typically closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are typically closed, with the same force and effect as if done on the nominal date provided in this Ordinance, and no interest shall accrue for the period after such nominal date.

Section 22. Interpretation. Unless the context or laws clearly require otherwise, reference herein to statutes or other laws include the same as modified, supplemented or superseded from time to time.
