Call for ARTISTS: Public Art Sculpture Project Madison/Milton Bridge Gateway Madison, Indiana Republished with Extended Deadlines

Project Details:

The City of Madison Public Arts Commission and the Madison Area Arts Alliance is seeking qualified sculptor artists to create a unique piece of artwork to be displayed at the entrance to Madison, Indiana, a National Historic Landmark District community and the small town of Milton, Kentucky located on the Ohio River. **This is a highly visible piece of work and will be the focal point at the foot-end of the Madison/Milton Bridge and located on the historic US 421 Michigan Road (Harrison Street) and is the southern-most entry into the State of Indiana.**

Call for Artist(s)

ARTIST (OR A TEAM MEMBER) MUST BE AN INDIANA RESIDENT OR A NATIVE OF INDIANA

About the Project: (See attached map)

- Seeking an original art sculpture suitable for all weather outdoor public space.
- The area designated for this public art sculpture has new lighting, a stone outline, and a concrete pad in place. The artist will be responsible for design, fabrication, and installation of the piece.

All pieces of artwork/sculpture must meet the following basic requirements:

- The piece must be structurally sound so as to stand-alone or to be secured to a concrete pad.
- The piece must be of a scale large enough to be clearly visible.
- The work must be capable of withstanding adverse weather conditions, including hot summers, cold winters, rain, wind, and snow.
- The work must be suitable for pedestrian interaction with a low exposure to injury. The public must be protected from possible injury from materials, and the work must not include moving parts.

- The work must be original and preferably (but not necessarily) be relatable to features of Madison, Jefferson County, Indiana, the State of Indiana, the Ohio River. Themes may include architecture, agriculture, river heritage, industry, history, sport/recreational assets, or other appropriate themes.
- The piece may be abstract in design and be of multiple media, including electronics. Creativity is encouraged.

Project Budget:

The budget for the project is \$175,000 including installation. This is a public/private partnership and will require proper financial reporting for all work and expenditures.

Timeline:

The time for the project RFQ to final installation is May 2023 - June 2024.
