

## COMMERCIAL CONSTRUCTION AUTHENTICATION AGREEMENT

Paper applications will be accepted by the Office of Planning, Preservation, and Design; however, electronic submissions through our Permit Portal are preferred. This application can be submitted electronically at [www.madison-in.gov/reporting](http://www.madison-in.gov/reporting).

As the person eligible and/or responsible for obtaining a local building permit or permits as required in section 150.20 – 150.24, as well as other applicable sections of the City of Madison Building Code, and based upon information contained within these plans, I certify that these plans are a full inclusion of the planned construction. I also understand if it is determined that these plans are not identical to construction, all permits obtained may be revoked as stated in Section 150.21 of the City of Madison Building Code.

Further, it is my responsibility to submit supplemental plans as approved by the Indiana Department of Homeland Security, Building Division, to the Plan Commission office in the event of any changes, corrections, or additions made concerning the project and/or use of structure in accordance with Construction Design Release and Building Permit. And that no work may proceed with affected sections until such plans are filed with the Building Inspector.
