Crystal Beach Aquatic Park is scheduled to open Friday, May 23rd, with weekday hours through June 8 from noon to 6 p.m. and weekend hours 11 a.m. to 6pm. Roger Gallatin gave the Sunrise Golf Course report. He announced that the 45 new golf carts have arrived and are being leased from Midwest Golf Turf to replace 33 older carts owned by the City of Madison. The 33 older carts were sold for \$39,600 to the leasing company with sale proceeds going towards paying off the Parks Department's \$575,000 debt. Our lease allows repair and maintenance to be done by the leasing company which eliminates a lot of man hours of using our mechanic. Youth golf is creating overcrowding at Sunrise. Roger proposed creating a driving range at the city's former landfill which is close by. Board member, Jake Shockley, feels the range is much needed. This would provide a place for Junior and senior high school golfers to practice and also relieve the overcrowding at Sunrise.

Next meeting: Wednesday, May 7, 2025, at 4 PM in City Hall.

Adjourn: Jake made a motion to adjourn. Carla seconded the motion. All Approved. Motion carried.
