July 4th Weekend Recap

Experiencing the Joys and Pride of Independence in Madison

Fourth of July Weekend in Madison was as iconic as ever with our community coming together for the annual Hometown USA Parade and Firework Extravaganza events!

Reports show that over 20,000 people were in attendance of these festivities and we are always amazed at the response to these events year after year. Thank you to everyone who came out to celebrate with us! We also wanted to thank those who contributed to the parade, the guest parade judges from the Main Street office, Visit Madison Inc. and the Regatta, the many sponsors who made it all possible, and the street department crews who invested innumerable hours to set up, tear down, clean up and maintain these events throughout the weekend. THANK YOU!

Congratulations to our Hometown USA Parade Float Award Winners:

First Place - Morgan & Nay Funeral Centre

Second Place - SuperATV

Third Place - Pet Paradise Boarding & Grooming and Gerber Babies Retail

Mayor's Choice - Madison Elks Lodge

We always love this time of year and how patriotic our city becomes: seeing flags and bunting adorning so many homes and people gathering with friends and family to celebrate together. Whether you visit for a while, or call it home, we hope you are as proud of Madison as we are.

Ribbon Cuttings & Groundbreaking Ceremonies

Crystal Beach Project

On June 13, the City of Madison celebrated the Crystal Beach Aquatic Park reconstruction officially taking place! Since the pool's closing in 2021, it has seen a lot of work: from completely removing the old, hazardous structure to ordering materials and laying the groundwork to ensure a strong, lasting foundation. We are so excited to see such a beloved community asset receive such intentional care as the plans come to fruition over the next year!

Oak Hill Park Project

On June 20, the City of Madison commenced the opening of the new Oak Hill Park with a ribbon cutting ceremony and outdoor city council meeting. The new park is a wonderful addition to the neighborhood, bringing brand-new playground equipment and improvements to the area for all to enjoy. The City of Madison is proud to provide this new clean, safe and beautiful facility, and can't wait to see how it impacts residents of our community in the years to come!

Mulberry Street Plaza Project

On June 23, in partnership with the Madison Area Arts Alliance, the City of Madison celebrated the completion of the Mulberry Street Plaza with a ribbon cutting ceremony. This project showcases Madison's dedication to infrastructure upkeep and the promotion and advocacy of our city's incredible arts district! Be sure to take in the new improvements as we continue on in our greater project of destination development! Keep an eye on the other sister projects happening at the bridge approach and the comfort station downtown as we relentlessly invest in our city and prioritize placemaking.

Super Overlook Phase One

The Riverfront Development Commission celebrated the ribbon cutting of their long-await super overlook project on June 26. The overlook is a wonderful addition to the beautiful river walkways and will continue to serve as the judging stand for the annual Regatta festival each July.
